| OBJECTIVES

Panelist

Jayati Ghosh

Professor of Economics

Political Economy Research Institute, University of Massachusetts at Amherst
United States of America

Jayati Ghosh taught economics at Jawaharlal Nehru University, New Delhi for nearly 35 years. In January 2021, she will join the University of Massachusetts Amherst. She has authored and/or edited 19 books, including Never Done and Poorly Paid: Women's Work in Globalising India (Women Unlimited, New Delhi 2009); the co-edited Elgar Handbook of Alternative Theories of Economic Development (2014); Demonetisation Decoded (Routledge 2017), and Women Workers in the Informal Economy (Routledge forthcoming) and nearly 200 scholarly articles. She has received several prizes, including for distinguished contributions to the social sciences in India in 2015; the International Labour Organisation's Decent Work Research Prize for 2010; the NordSud Prize for Social Sciences 2010, Italy. She has advised governments in India and other countries, including as Chairperson of the Andhra Pradesh Commission on Farmers' Welfare in 2004, and Member of the National Knowledge Commission of India (2005-09). She is the Executive Secretary of International Development Economics Associates, an international network of heterodox development economists. She has consulted for international organizations including ILO, UNDP, UNCTAD, UN-DESA, UNRISD and UN Women and is a member of several international commissions, including the International Commission for the Reform of International Corporate Taxation (ICRICT) and the Commission for Global Economic Transformation of INET. She writes regularly for newspapers, journals and blogs.
